1 Q. You respond and you go back and forth with him.

2 And you say --

3 A. Yes.

4 Q. -- "you need to make a studio."

5 What did -- what did you mean by a  
6 "studio"?

7 A. Meaning, I believe -- or I -- I don't know if I  
8 still would. I believe that Mason is a  
9 talented artist and with good drive, and I  
10 think that he would be successful if he  
11 launched different projects under a studio.

12 Q. Okay. And what is MSCHF and BAYC?

13 A. MSCHF is a -- it's pronounced mischief. It's a  
14 product studio that produces drops of different  
15 products.

16 Q. What -- what products has it dropped?

17 A. I can only recall an example.

18 Q. Okay. What -- what's that example?

19 A. I believe they partnered with Lil Nas X, who's,  
20 like, a -- one of these singers or artists,  
21 meaning a music artist, to create a -- a shoe  
22 with, like, blood in the sole of it.

23 Q. A physical product?

24 A. Yes.

25 Q. And who is BAYC?
